# Informational letter regarding the conduct of the IV International Scientific and Practical Conference "Health and Society in Times of War"

**APRIL 18-19, 2024**

**Dear Colleagues,**

The Central Ukrainian Institute of Human Development invites you to participate in the **IV International Scientific-Practical Conference "Health and Society in Times of War"**, which will be held online via the Zoom platform.

**Conference objectives:**

- Creating a platform for specialists to discuss the obtained scientific and practical results;
- Informing the scientific community and the public about the latest achievements on the specified issues;
- Facilitating the search for scientific and production partnerships.
- Working languages of the conference: Ukrainian, English, Romanian, Polish.
- Conference materials will be posted on the website [vmurol.kr.ua](http://vmurol.kr.ua) and will be published as a separate collection, with an electronic version distributed to the authors.

As part of the conference, there will be a **scientific-practical seminar “Inclusion in the Educational Process”**, which will be of interest to teachers, school administrators, social educators, and psychologists.

Participation in the conference will grant **a certificate** specifying 12 hours (0.4 ECTS credits) for participating in both the conference (presentation, publication of materials) and the scientific-practical seminar; or **a certificate** specifying 6 hours (0.2 ECTS credits) for participating only in the scientific-practical seminar,

Participation in the conference and in the seminar, publication of an article in the journal and receiving the journal (PDF) are provided free of charge.

UDC

**Name** /14 pt, W/  
**Surname and initials of the author (s)**  
**Place of work, position**  
/14 pt, W / educational institution /  
14 pt/

*Abstract in the language of the synopsis(without the word abstract, italics). 3 to 5 lines are recommended.*

**Keywords** :( no paragraph indentation, at least 5 words, italics).

The main text should have such necessary elements as: problem statement and its connection with actual theoretical or practical tasks, formulation of goals, links to current research and publications, presentation of the main research material, conclusions.

The bibliographic description is drawn up in accordance with the established requirements of DSTU 8302:2015 Information and documentation. Bibliographic reference. General provisions and rules of compilation.

Figures and tables are printed using the built-in Microsoft Word editor. The name of the figure is printed in bold type and placed below the figure in the center. All drawings must be grouped as a single object. Example of design: Figure 1 – Sources of deficit financing. The word "Table" is indicated once on the left above the first part of the table (with a paragraph indent); over other parts, write "Continuation of the table" with the table number.

Table 1 – Classification of financial resources.

The font size of the table text is 2 points smaller than the main font. Formulas are executed using the formula editor (internal formula editor in Microsoft Word for Windows).

References in the text to sources should be indicated in square brackets [source number, page], for example: [1, p. 13].
